FROM ACTIVE DUTY TO VETERAN:

HOW VA SAFEGUARDS DATA

Join the Department of Veterans Affairs (VA) Privacy Service and leading privacy experts on March 27th for an interactive virtual panel discussion on privacy best practices in safeguarding data as servicemembers transition from active duty to Veterans.

Experts will discuss opportunities and challenges surrounding privacy and benefits, information sharing with third party partnerships and privacy concerns around transitioning benefits to eligible dependents.

Attendees are eligible to receive Continuing Privacy Education credits from the International Association of Privacy Professionals (IAPP), Information Systems Audit and Control (ISACA), and International Information System Security Certification Consortium (ISC)2. VA employees are also eligible to receive Talent Management System credits for attending.
